THE OAK

Marcy,

To a real cute and great friend whose friendship I will always cherish. Best of luck always to a real deserving person.

Love,
Diane
Srs. 69

P.S. I will say some more on yours, too. You are the cutest, sweetest, and the greatest all round girl I have ever known. Keep your great smile and your great personality and you will go very far in life. Like you said Mrs. Brown will miss us but we can visit her some of the time. Can't we? I really in truly meant what I have said. Our friendship is one I will always value highly. Best wishes always.

Love always yours,
Diane

Marcy
To a real cute and sweet girl who will be in my life. I'll be in every of yours.
Love Nancy

Marcy,
To a great girl. May your years in H.S. be your best.
Kathy

MR. W. W. CHILCUTT

During this first year as our superintendent, Mr. W. W. Chilcutt has been swamped with so many jobs that it has been difficult to decide whether he is an investigator of building bonds, a contractor, an architect, or just a school superintendent with only an eight hour day.

The administrative duties of determining what comes under Title I, II, III, etc., balancing the budget, supervising the operation of three schools under normal conditions would be enough for one man to do, but Mr. Chilcutt has done all of these plus the new building program with the efficiency of an expert.

We are most grateful for such a capable superintendent.

MR. C. M. ESTES

This snapshot of our principal, Mr. Estes, is a rare one and one that we certainly wanted to include in our permanent record because it is so typical of him as he goes about his daily work at W.H.S. So many reports, schedules, and problems of all kinds from students and faculty members demand his attention that it is difficult for those of us that know him so well, to visualize him sitting behind a desk that is not spread with work. The success of his eleven years as principal is certainly reflected in the smooth operation of our school.
